ALBANY PUBLIC LIBRARY CLIPPINGS FILE COLLECTION

This collection of local history newspaper clippings was compiled by librarians at the Albany Public Library. Most of the files are comprised of newspaper clippings dating from the nineteenth century to the 1980s; the majority from the period 1940 through 1980. In preparing this collection for microfilm, an effort was made to maintain the original arrangement and subject headings.

SEE and SEE ALSO references are used to guide the user through the non-standard subject headings and inconsistent arrangement in the collection. Biographies are divided by specific groups as well as general biographies. Also biographies are listed under other subject names:

Abraham Lincoln

BIOGRAPHIES--LINCOLN, ABRAHAM
U. S. PRESIDENTS--LINCOLN, ABRAHAM

William Kennedy

BIOGRAPHIES--KENNEDY, WILLIAM
KENNEDY, WILLIAM
KENNEDY CELEBRATION
KENNEDY, WILLIAM--CHANGING FACE OF ALBANY
KENNEDY, WILLIAM--VARIED TOPICS
KENNEDY, WILLIAM--VARIOUS SERIES WRITTEN

References to reel numbers and frame numbers are utilized for location purposes. However it is important to understand that frame numbers are used as general location indicators and numbering at times is incorrect. Material in the individual files was generally filmed in

chronological order, however subject areas should be extensively searched for individual topics.

The index for the collection is organized as follows:

Example 1:

<u>FILE NAME</u>	<u>LOCATION</u>	<u>SEE</u>	<u>SEE ALSO</u>
ALBANY ACADEMY		SCHOOLS-- SECONDARY-- ALBANY ACADEMY
